○ **Test 15**

Read the following text and answer the questions given below.

Mary Lennox is living in India with her wealthy British family. She is a selfish and disagreeable 10 years old girl who has been spoiled by her servants and neglected by her unloving parents. When a cholera epidemic kills her parents and the servants, Mary is orphaned. After a brief stay with the family of an English clergyman, **she** is sent to England to live with a widowed uncle, Archibald Craven, at his huge Yorkshire estate, Misselthwaite Manor. Her uncle is rarely at Misselthwaite however. Mary is brought to the estate by the head housekeeper the fastidious Mrs. Medlock, who shuts her into a room and tells her not to explore the house.

Mary is put off when she finds that the chambermaid, Martha, is not as servile as the servants in India. But she is intrigued by Martha's stories about her own family particularly those about

her 12 year old brother. Dickon, who has a nearly magical way with animals. When Martha mentions the late Mrs. Craven’s walled garden, which was locked 10 years earlier by the uncle upon his wife’s death, Mary is determined to find it. She spends the next few weeks wandering the grounds and talking to the elderly gardener, Ben Weatherstaff. One day while following a friendly Robin, Mary discovers an old key that she thinks may open the locked garden. Shortly thereafter, she spots the door in the garden wall, and she lets herself in to the secret garden. She finds that it is overgrown with dormant rose bushes and vines (it is winter), but she spots some green shoots and she begins clearing and weeding in that area.
