3. Write a summary of the following text. You may use any number of sentences but do not use more than forty (40) words. Write only one word in each cage.

A middle aged man with a foolish expression on his face, was accused of breaking into a house and stealing a cheap watch. The witness who was called did not give a very clear account of what had happened. He claimed to have seen a man outside the house one night, but on being questioned further, he confessed that he was not sure whether this was the man. The judge considered the matter for a short time and then declared that as there was no real proof, the man could not be found guilty of any crime. He said that the case was dismissed and then rose to go, Meanwhile, the accused looked very puzzled. It was clear that he had not understood a thing, Noticing this, the judge paused for a moment and then the man said suddenly, "Excuse me sir, but do I have to give the watch back or not?"

Write a summary of the following text. You may use any number of sentences but do not use more than thirty (30) words. Write only one word in each cage.

The young man heard a cry and turned round but he could not see any body. At the same moment, a boy ran up to him and pointed towards the river. They both ran along the river bank and after a short time, they saw a girl in the water. The girl was holding on to a piece of wood, but the river was deep and it was carrying her away. The man acted quickly. He took off his coat at once, jumped into the water and saved the girl's life.
