6. The class teacher marked the register.
.....

(10 marks)

Test. 10

Read the poem and answer the questions.

Five Little Brothers

Five little brothers set out together
To journey the live — long — day
In an odd little carriage, all made of leather,
They hurried away, away
One big brother and three quite small,
And one wee fellow, no size at all.

The carriage was dark and none too roomy,
And they could not move about;
The five little brothers grew very gloomy,
And the wee one began to pout;
Till the biggest one whispered; “what do you say?
Let’s leave the carriage and run away.”

So out they scampered, the five together,
And off and away they sped
When somebody found the carriage of leather
Oh, my! How she shook her head!
‘Twas her little boy’s shoe, as everyone knows,
And five little brothers were five little toes!

Ella Wheeler Wilcox

1. What is the title of the poem?
.....
2. What is the carriage made of?
.....
3. Why couldn’t brothers move about in the carriage?
.....
4. Find the past tense verbs for the following from the poem.

.....

05 he also produced the first colour TV pictures.

.....

(1/2 x10 = 5marks)

Test. 12

Read the following text and answer the questions given below.

Udawalawa

National parks provide visitors the opportunity to appreciate the free spirit of wild animals. Udawalawa national park, which is located in the Rathnapura and Monaragala districts with 30821 hectares, was established in 1972. The park is rich in bio diversity and genetic variation within the same species. At the centre of the park lies the Udawalawa reservoir. The habitat surrounding the reservoir includes marshes, forest and grassland. There is a teak plantation beyond the southern boundary which was planted before the declaration of the park.

Udawalawa is a home to over 500 elephants that include about 300 residents and 200 migratory. The park is unique in the sense that you can see elephants throughout the day and during the entire year. Species recorded from the park include 21 fish, 12 amphibians 33 reptiles, 184 birds, 43 mammals and 135 species of butterflies and 94 varieties of plants.

Two kilometres from the park there is a positive story of human intervention in the case of young wild elephants. There is an elephant transit home for abandoned, sick, elephant calves. They are provided milk, food and companionship till they are released to the wild again.

01. Where is the park located?

.....

02. Name four species you can see in the Udawalawe park?

.....

03. What is the elephant transit home used for ?
